

Digby Manor

RESIDENTIAL CARE HOME

Welcome to April's Newsletter 2024

Edition No. 72

Hello and welcome to April's newsletter. There have been many changes to the environment at Digby Manor and we couldn't be more delighted with them so far. The new lounge has now been opened up and the space is enormous! The residents are all finding their own little spaces and with the new large TV, we can entertain with music, interactive quizzes and a film, or two. We have also had a wonderful donation from a lady, called Barbara Miles, who has donated a number of artefacts from the war period for us to display. These include a war helmet, a wooden ironing board, an old lawn mower, a typewriter, cigarette case, dress jewellery, scales and a bridesmaid dress. Please see below...

We started with a blank canvas below and slowly, we are styling the room to make a lovely home for everyone to enjoy.

Activities we have enjoyed

Our Ladies enjoyed afternoon tea organised by Leah and Nicky, who made all the lovely sandwiches and cakes. Our ladies wore hats and thoroughly enjoyed a good natter. The ladies attended by personal invitation designed by Leah.

BILLY

Our residents loved trying their hands at a bit of plant potting. Unfortunately none survived except a sunflower potted by Hazel and named Billy!!

Leah and Chloe supported our ladies to make their own named bracelets.

Exercise with pom poms lead by Chloe. As you can see, most residents joined in to keep their joints nimble!

Wordsworth (AKA Sophie)
getting the coggles working.

Making beautiful music!

Sharon, our new hairdresser, has
been working her magic fingers and
don't our residents look wonderful!

A lovely trip to the local shop
to pick up some goodies.

Meet our new pet—Pluto!

He is a thorough bred toy dog and he
is loved by everyone. He performs
tricks and walks on command by noise
control. Our residents were clapping
for his next trick!!

Margaret turned 88 years young on 20th April. We all enjoyed a lovely birthday cake to celebrate.

We would like to say thank you to Fiona, who thought of our lovely staff on what would have been her dad, Colin's, 90th Birthday. She celebrated by sending gifts to all of the staff.

Goodbye

We would like to say good bye to both Margaret and Alan, who have both gained their wings. Rest easy, you will both be sadly missed.
