RESIDENTIAL CARE HOME

Welcome to June's Newsletter 2024

Edition No. 74

Hello everybody and welcome to June's edition of our newsletter. As the summer months are coming, we are looking forward to enjoying the sun! We may not have the garden to enjoy yet, but that doesn't stop us from getting out in the fresh air. Now the weather is changing, we are starting to get more involved in the community. Some of our residents have been shopping to our local shop; other residents have been to the park to feed the ducks. We had a very successful trip to a carvery restaurant that was thoroughly enjoyed by all those that participated, especially Millie—who entertained us throughout the whole trip! Millie expressed how much she had enjoyed her meal and wanted to sing to everyone to entertain them.

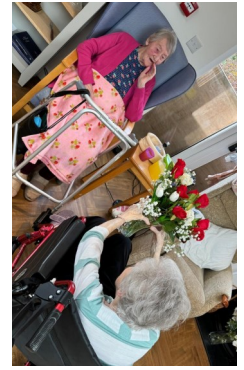

The sun is shining, the birds are tweeting and Millie is singing. What more do you need?! ❤️ ❤️

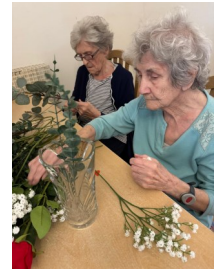

National Days

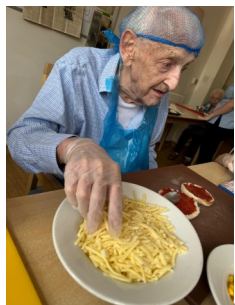

These buttermilk biscuits were thoroughly enjoyed with a cup of tea. 😊

National 'Give someone flowers' day - Beryl gave her creation to Jane, for the office, and Margaret gave her creation to her friend Jo. How thoughtful!

National 'Dance like a chicken' day. There may not have been a lot of dancing but there was a lot of clucking!!

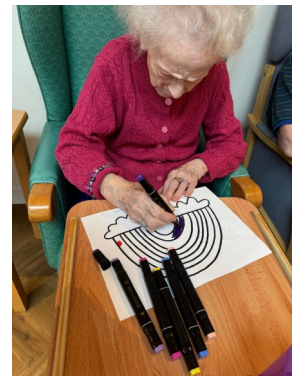

National 'Rescue dog' day. Lots of colouring of different breeds of dogs.

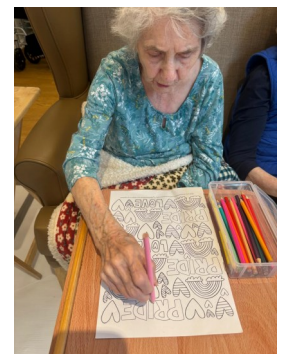

Yum
Yum!!

Thank you

We would like to thank Millie, Daniel, Mohammed and Heenah- who worked with us at Digby Manor for two weeks as part of their training to become physio therapists. They are doing their training at University College Birmingham. I hope they have learnt as much from us as we did from them. Thank you for working with our lovely residents and putting them through their paces with gentle exercise to keep their joints supple!

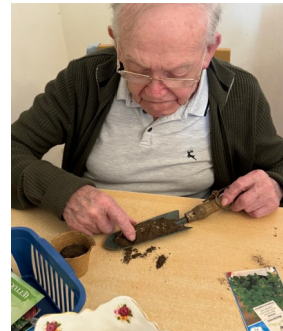

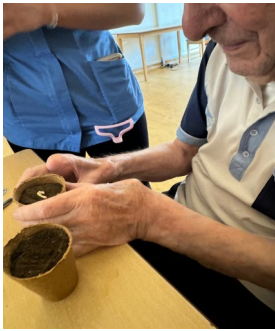

National 'Strawberries and cream' day. All we need is some tennis!!

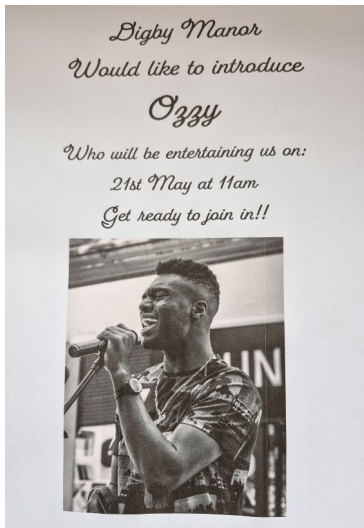

National 'LGBTQ' day. To celebrate our residents did some wonderful art work. Well done!!

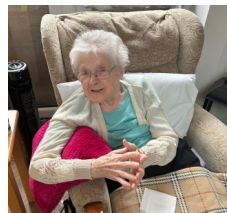

More activities that we have enjoyed together

A group of residents planted the seedlings that Barbara from the community donated, and Frank has been taking care of them. We are awaiting for a variety of flowers to bloom, as well as some herbs. Good luck every one, keep your eyes peeled!

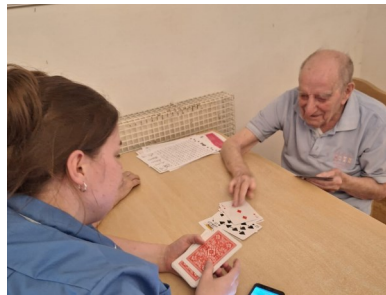

Ozzy came to entertain us.

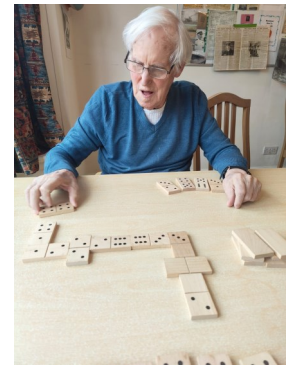

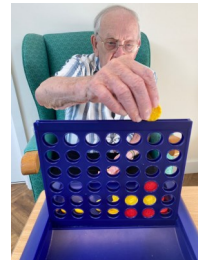

Nice singing Frank!! You gave Ozzy a run for his money.

One to one activities and activities with our friends!

Aleah, you need to be quicker than that!

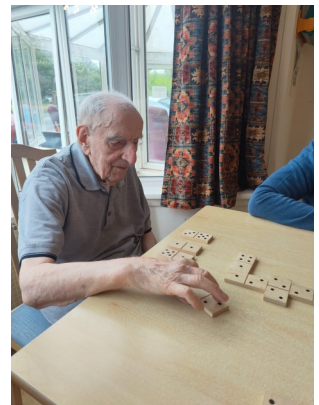

Frank and Ken are getting competitive!

Beryl was overjoyed when she won!

Jack was giving Debbie a lesson on the countries he has visited.

Ruth was very happy to see her cousin who came to visit with the dogs.

Our new 'Busy Board' is on the wall in the dining room. At any point if you want to do a cross word, a puzzle or some colouring, please help your self. We will always restock and change the themes.

Goodbye

We would like to say goodbye to Mary, who we were privileged to be a part of her final journey.

Your presence will be missed by us all. Sleep easy Mary, it's time for you to rest now.

Housekeeping.....

I would like to request that when you visit your loved ones, can you please check their stock of toiletries, as these regularly run out.

If you would like any pictures put up, please let us know and we can do this for you. Having pictures on their walls can create more space on the surfaces.

Any suitcases or excess clothing should be taken away. The wardrobes and drawers can get rather full and this can impact on the hanging of other clothes in the wardrobe. Please also check their wardrobes and remove any clothing that no longer fits your loved one, as they are taking up a lot of space. Please check their underwear in case they need renewing. Please note all clothes and shoes must be labelled.
