

As we go into 2026, we would like to wish you all a very happy new year! We wish you all good health and happiness for the new year ahead.

A new year brings new beginnings and renewed hope.

2025 has been filled with magical moments, and we can't wait for 2026 to bring more excitement, joy, and more adventures.

As we reflect on 2025, we think about all those that are no longer with us. The memories we have made, and friendships we have built. This community we have built is very special and the bond we have made is strong. Saying that, we would like to thank all the staff for their hard work, dedication and commitment to our home and our residents. They make Digby Manor a very special place to be.

Over the last year we have seen so much change. The new extension is going into its last phase, and we will be opening up in 2026, which is very exciting! The court yard and back garden have been finished and has opened up to everyone to utilise. They both look exceptional and we look forward to using them when the better weather arrives. We have a new car park. which I hope you agree is looking phenomenal. The block paving gives the car park exceptional durability and it can withstand heavy loads and heavy traffic! It's resistant to frost, temperature fluctuations and it won't crack. The textured grip of the block paving provides excellent grip underfoot and reduces the risk of trips and slips. All whilst looking very stylish!

We have also renewed the drainage system when the car park was laid, which has improved our drainage massively (having good drainage is very important in a care home)!

A look back over December and all the activities we have enjoyed together and the memories we have made.

Beautiful!

I hope you agree that Maureen, Val and David did a fantastic job decorating the trees, starting the festivities off!!

Oh No they didn't!

Our first production of the season. Pantomime 'Oliver' starring our very own Deputy Manager Lisa, followed by a sing song of all the Christmas Carols.

Christmas Dinner

It was so lovely seeing so many relatives and friends come and spend time with us and to enjoy a Christmas Meal with their loved ones. Making memories is important to us, and spending time with those that we love. Oh and the food was AMAZING!! Big thank you to Nicky, who was the head chef, and made all the desserts from scratch. There were some full bellies afterwards!

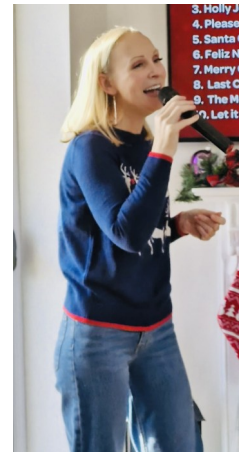

Christmas Party!!!

Party Day was amazing. There were so many visitors that joined us. Thank you to Louise, who sang like an angel and got everyone up dancing. You were amazing!

The Support was fabulous. Kim and Julie wiped us out on the Tombola, and they took half the table away with them!!

John won the raffle prize of the Hamper— Congratulations to you! We hope you enjoy your winnings!

We were enjoying ourselves too much to take anymore photos.

Santa came to visit

On Christmas Eve, Santa and his Elves made a stop at Digby Manor to the residents delight. He spent some time with them, shook everyone's hand and gave them each a Christmas Eve present to open.

Christmas Eve was such a lovely day for all of us. Lots of laughs, and singing.

Christmas Jumper Day

Who doesn't love a Christmas Jumper?!

A Big Thank You

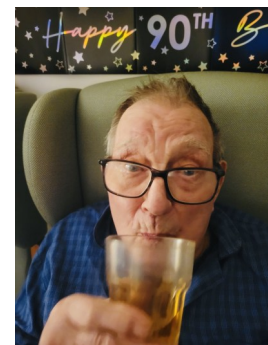

We would like to say a very big thank you to all of the residents and relatives that brought a Christmas gift for the staff. We were very spoilt this year and had many surprises and gifts. So again, a very big thank you!
